

Instructions for Abutters report:

Go to: https://www.axisgis.com/north_salemny/

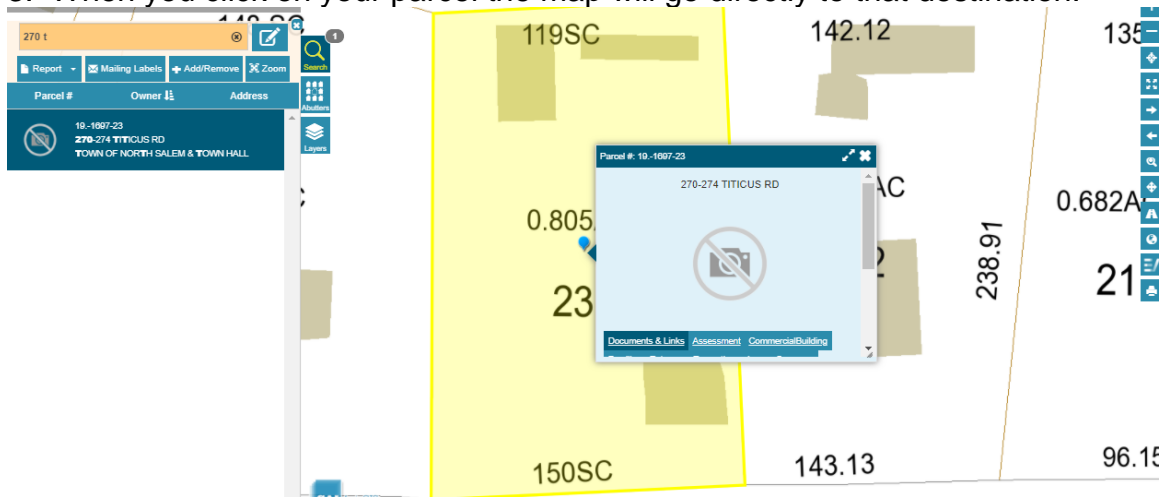

1. Select Search and enter name, address or parcel number.

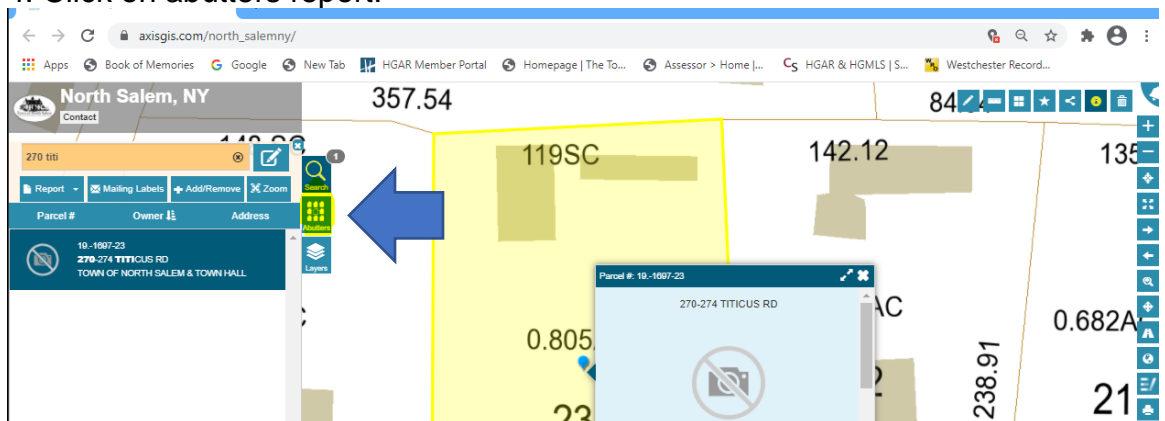

2. When the property you are looking for appears, click on it.

3. When you click on your parcel the map will go directly to that destination.

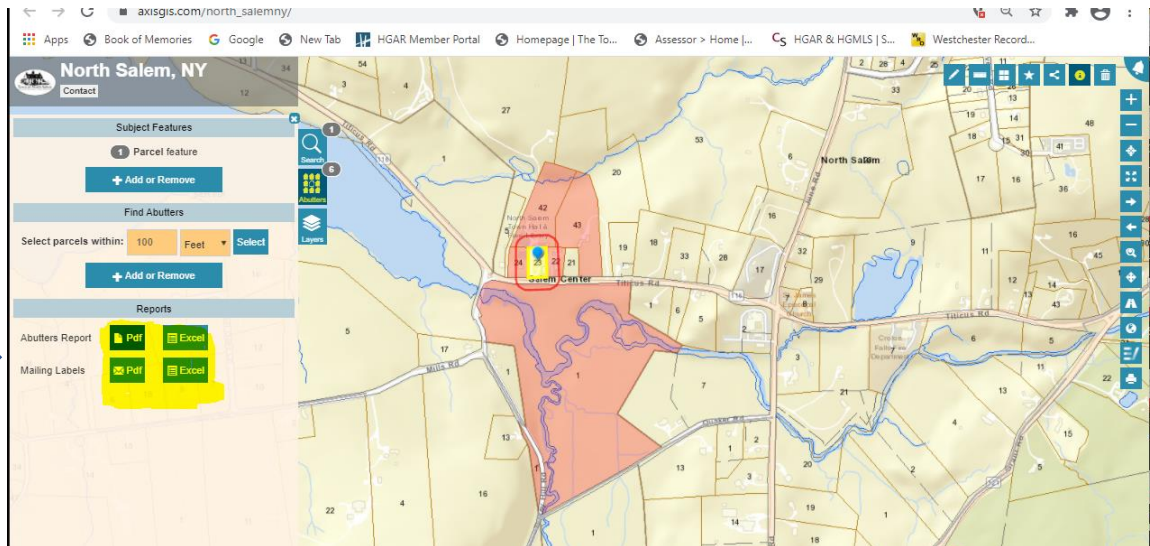

4. Click on abutters report.

The screenshot displays the Parcel Viewer application interface. On the left, a sidebar contains a 'Contact' button at the top. Below it is the 'Subject Features' section, which includes a 'Parcel feature' indicator and an '+ Add or Remove' button. The 'Find Abutters' section allows users to 'Select parcels within:' a range of 100 feet, with a 'Select' button. Below this is another '+ Add or Remove' button. The 'Reports' section offers options to generate 'Abutters Report' and 'Mailing Labels' in PDF or Excel formats. On the right side of the sidebar is a vertical toolbar with icons for search, layers, and other map functions. The main map area shows several parcels highlighted in yellow, with labels such as '119SC', '142.12', '135', '0.805', '23', '0.87A', '24', '238.91', and '0.682A'. A pop-up window for 'Parcel #: 10-1007-23' is open, showing the address '270-274 TITICUS RD' and a 'No photo' icon. At the bottom of the pop-up, there are links for 'Documents & Links', 'Assessment', and 'Commercial/Building'.

The screenshot displays the North Salem, NY parcel viewer interface. The sidebar on the left contains a 'Contact' button, a 'Subject Features' section with a 'Parcel feature' button and an 'Add or Remove' button, a 'Find Abutters' section with a 'Select parcels within: 100 Feet' dropdown and a 'Select' button, and a 'Reports' section with 'Abutters Report' and 'Mailing Labels' options, each with 'Pdf' and 'Excel' download buttons. The main map area shows a grid of parcels with various numbers. A specific parcel is highlighted in red and labeled 'Green Center'. The right-hand panel includes a search bar, a 'Layers' button, and a vertical toolbar with various map navigation and interaction icons.

7. You can then select the format you would like to have the information. The report will give you property addresses and mailing addresses.

8. Your list is complete and will look something like this.
