

Volunteer Shoppers Available

RideConnect, a program of Family Services of Westchester, has been providing volunteer-based transportation for over 10 years to older adults in Westchester & Southern Putnam counties. These rides are for medical, shopping, social visits, religious services and more.

At this time our volunteers have switched gears to help do essential shopping for older adults such as groceries, and medication pick-ups. If you, or someone you know, could benefit from a volunteer to get your essential items, please contact RideConnect at: (914) 242-7433, via email at kganis@fsw.org, or visit us at www.RideConnectWestchester.org

Please note that clients are responsible for the cost of groceries, and volunteers cannot use SNAP cards. Our call center is open M-F, from 9-5.
