

NORTH SALEM PLANNING BOARD

PUBLIC INFORMATIONAL MEETING

On **Saturday, April 1, 2023** the Planning Board will be presenting its draft of the Croton Falls Plan, a Supplement to the Town's Comprehensive Plan for your and comment before sending it over to the Town Board.

Planning was tasked with preparing this supplement that focuses on the hamlet, establishes a vision and direction based upon the needs and priorities of its residents and makes recommendations on how to implement those goals.

The meeting will be held at the new

Community Center at 3 Owens Road.

While the building may not be 100% complete, we anticipate that by then the Recreation Department will be moved in and the theater space will be available. The presentation will start at **10:00am** but early birds (9:00am) may do a walk-through of the space and see some of the exhibits on display for the Plan. Lauren Rosasco, Superintendent of Recreation, will be there for an impromptu mini tour and to answer any questions you may have.

If you received our email and already sent back an RSVP, thank you. If not, it would be helpful if you RSVP to cynthiamcurtis@gmail.com or call the office at 914-669-5661 (Dawn Onufrik).

There are 100 seats in the theater and we may be able to set up live streaming in the Exhibit Room if we need to.

We are anxious to hear comments and suggestions before we finalize the document and send it to the Town Board.

A draft of the report will be up on the town website and hard copies at our offices and the library.

Looking forward to seeing you on the 1st, no Fooling!
