

North Salem Recreation Dept

Little Sprouts Nature Group

"Let's Go On A Color Hunt!!"

Registration Required at northsaalemny.org/recreation

Baxter Preserve, Baxter Road, North Salem

Friday, October 29th 3:30-4:30pm

Free Program

2.5 to 5 year olds and their grown-ups welcome!

Mother Nature truly is one of our
best educators and connectors.

Little Sprouts Nature Group is designed to introduce the
youngest members of our community, along
with their grown up, to the natural world.

The world is changing before our eyes! We invite your child to come explore the science of leaves changing color and our world as it readies itself for winter. Our program will include a story time and nature walk through NSOLF's Baxter Preserve where children will follow a pictorial nature trail map to hunt for fall's colors!
