PUBLIC INFORMATIONAL MEETING
CROTON FALLS HAMLET
SATURDAY, SEPTEMBER 25, 2021, 10:00am
CROTON FALLS FIREHOUSE

Please join us! If you own property or a business or live in Croton Falls, please come to a preliminary discussion of the Croton Falls hamlet area. The North Salem Planning Board has been charged with the preparation of a Master Plan and Capital Plan for the hamlet.

For example -

Does the hamlet need a sewer district?
Does the water system need upgrading?
Is parking sufficient?

How do you envision use of the little park area?

But what else? We would like to know more about what's on your mind, what you believe are some of the issues affecting the hamlet, your family/homes/lives/businesses.

There will be more meetings planned as we progress through the process. We also plan to send out a **community survey** later in the fall or early winter.

Help us help you make a better community for all concerned

If you are not able to attend in person we still want to know your thoughts/concerns. Send us an email or drop us a note (address above): cynthiamcurtis@gmail.com, or call us at 914-669-4393.

For future meetings we are considering scheduling one for a Wednesday evening. Let us know if that is preferred over a Saturday morning.

Come meet your neighbors and be a part of the planning process. We welcome all comments.

Members: Cynthia Curtis, chair, Gary Jacobi, deputy, Chris Brockmeyer, Ed Isler and Bill Monti
